Company Name: Smiles Foundation Role: Community Service Volunteer				May’ 24
- Completed a 3-week community service program at the Nerul branch, contributing to NGO-led social initiatives. - Participated in organizing and supporting community outreach activities aimed at improving local welfare.				
ACADEMIC PROJECTS				
Project Title: Broke But Thriving – Personal Finance Management System				Feb’ 26 – Apr’ 26
Built a multi-model ML system using LSTM, MLP, Gradient Boosting, and Linear models to predict future expenditure and classify high-spending risk. Integrated an AI Copilot using LLM (Llama 3) with function-calling to enable real-time expense logging, financial simulations, and personalized recommendations.				
Project Title: Paw Rescue				Aug’ 25 – Nov’ 25
Developed an Android app enabling users to report injured or stray animals. Implemented animal report submission with image upload, location pinning and SQLite database storage. Integrated location tracking (Google Maps API) and SQLite3 database connectivity to alert nearby veterinarians and rescue centers.				
Project Title: Placement Cell Management System				Feb’ 25 – Apr’ 25
Developed a Placement Cell Management System to streamline communication between students, HOD, Principal, and Placement Officer. Designed a role-based portal for managing student profiles, placement drives, eligibility checks, and recruiter information. Implemented a centralized database system to track placement records, approvals, and notifications for efficient campus recruitment management.				
POSITION OF RESPONSIBILITY				
Head Public Relations, STME, NMIMS Navi Mumbai				Aug’ 25 – Mar’ 26
- Led an 80+ member Public Relations team across 10+ institute events, managing team structure, task delegation, and event-related responsibilities. - Coordinated with multiple internal teams and stakeholders to manage communication, align event requirements, and ensure smooth execution across different activities. - Monitored deadlines, deliverables, and on-ground execution, resolving last-minute requirements and ensuring all communication and event responsibilities were completed on schedule.				
Photography Head Public Relations, STME, NMIMS Navi Mumbai				Aug’ 24 – Mar’ 25
- Led the photography and visual media team across 10+ institute events, coordinating photographers, assigning event coverage responsibilities, and managing on-ground execution. - Collaborated with the Public Relations and event-organizing teams to plan coverage, understand content requirements, and ensure important event moments were effectively documented. - Curated and delivered visual assets for social media, promotional campaigns, event reports, and official documentation, ensuring timely delivery and consistent quality.				
CO-CURRICULAR AND EXTRA-CURRICULAR ACTIVITIES				
Certification	- GenAI Powered Data Analytics Job Simulation (Tata) - Introduction to Cloud Job Simulation (DATACOM)			Sept’ 26 Sept’ 26
Extracurricular Activities	- EY Technathon 4.0 - Inter – House Football Tournament			Dec’ 23 Jul’ 22
Socials	Languages Spoken: English, Hindi and Malayalam
